

## Timing Slides Manually

1. Switch to **Normal View** by choosing the option in the slides view window.

2. Select the slides you want to set timing for (Press and hold the ctrl (PC) or apple (Mac) button and click to select more than one slide at a time).
3. On the **Slide Show** menu, click **Slide Transition**. The Slide transition menu will appear on the right side of the screen.

W

4. Under **Advance slide**, select the **Automatically after** check box, and then enter the number of minutes: seconds you want the slide to appear on the screen. If you would like to apply the automatic timing transition to all of the slides instead of the ones you have chosen, select the **Apply to All Slides** button.
